

The Exhibition of Experimental Mechanics (EMex)

Wednesday 8 September 2010

EMex10
Exhibition of Experimental Mechanics

Visitor Ticket

The Exhibition of Experimental Mechanics (EMex) is organised by the British Society for Strain Measurement. EMex is the premier UK exhibition for manufacturers and suppliers of strain measurement and stress analysis equipment.

EMex 2010 will take place alongside the 7th BSSM International Conference on Advances in Experimental Mechanics on Wednesday 8 September 2010.

Venue: Active Learning Laboratory, Department of Engineering, University of Liverpool.

EMex will only be accessible for visitors via the main department entrance.

There is a pay visitor car park opposite the Roman Catholic Cathedral, car park 1 (Mount Pleasant) see map. The car park is approx £2 per hour up to approx £10 for the day.

The full version of this map can be downloaded at www.liv.ac.uk/maps/index.htm

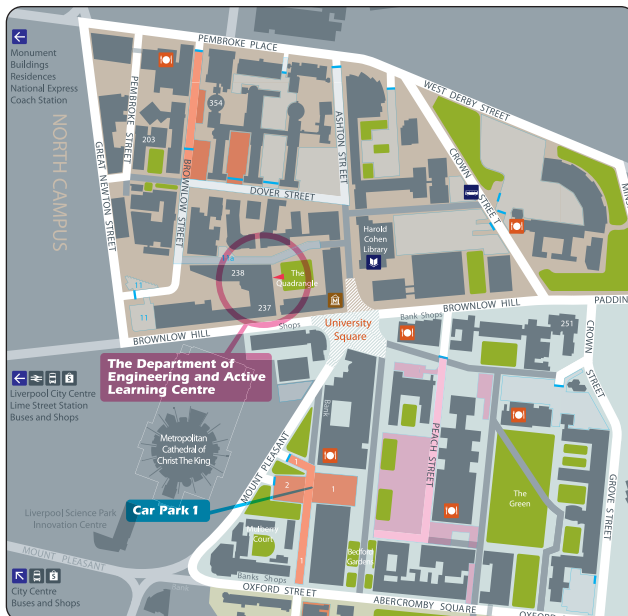

Exhibition open times:

**10:00 to 16:00 on
8 September 2010.**

Free refreshments and lunch will be served in the exhibition area.

A short presentation from some of the exhibitors on new products or services will take place in a session prior to the lunch break.

For maps, general directions and further information about EMex 10 please visit www.bssm.org/emex10
