

The British Society for Strain Measurement

POSTGRADUATE EXPERIMENTAL MECHANICS (PGEM) CONFERENCE

7th & 8th April 2022, University of Bristol

The BSSM PGEM conference showcases the work of postgraduate MSc/MPhil/PhD researchers in the field of engineering measurement and experimental techniques in stress, strain, and vibration analysis. Registration includes refreshments, lunches, and a conference dinner.

Abstract submission: Friday 4th March 2022
Acceptance notification: Friday 18th March 2022
